

# What Is This Thing Called “Discernment”?

We at St. Philip’s are considering our mission for the future. What is God calling us to do next and what do we need to fulfill that call?

How do we answer such a question? Together. So over the next few months we will hold small-group meetings called “Dream-Catching Sessions” where we imagine all that St. Philip’s could be and do. Led by St. Philip’s volunteers who are trained to facilitate these discussions, we will meet by ministries, we’ll meet as social groups and peer groups, and we’ll even have a few all-parish meetings. We want to hear everyone’s voice. Including yours.

So watch for more information regarding times and places. We want to see you there.
