# WELCOME TO ST. PHILIP'S IN THE HILLS EPISCOPAL CHURCH

“One body, many parts...” (Corinthians 12: 12-27)

Each individual plays an important part of the whole. Each individual brings gifts and talents that can be used in the church. Sometimes it is a matter of just finding where you “fit.” Whatever it is that makes you “you” will have a place here at St. Philip’s. So come as you are; this parish is grateful for whatever gifts and experiences you may bring. Please seek to be involved in a ministry that “fits” your personality. We are glad to help you find what that may be. Maybe we can start with the following questions:

What two things in life are you truly passionate about?

1.

2.

Is there one particular social justice issue that excites you?

What is something unique about you?

What are some strengths of your personality?
