Dear Rev. John:

Thank you, and your members, for your generous donation of \$300.08 to Interfaith Community Services.

The demand for ICS services has increased dramatically in these tough economic times. More seniors, disabled persons and families in financial crisis are turning to us for assistance even as local governments and other funding sources are cutting their support.

With your help, ICS brings about success stories like this one:

A Tucson man had worked for a mining company contractor for two years when the recession's impact on the mining industry cost him his job last November. He was approved to receive unemployment compensation but because the state was behind paying out benefits, the rent he owed on his apartment along with late fees threatened to exceed his resources. One-time emergency financial assistance from ICS helped him pay rent. "It brought me up to date," he said. "By being assisted with my rent, I was able to move forward and get ahead. Interfaith was my saving grace."

We don't always know how the services we provide will change someone's life. Thank you for your generous support that helps ICS help those who turn to us.

We wish you many blessings,

Bonnie Kampa
Executive Director
