Dear Greg,

Thank you for your support of Habitat for Humanity Tucson's mission to build relationships and community through the construction of new homes in partnership with qualified low income families. The generous contribution of \$11,150.00 from St. Philip's Parish, along with those of many other supporters, will help us purchase construction materials to build eight homes that

will begin on Building Freedom Day – September 11, 2010. We will direct this donation to the Faith Coalition sponsored house and hope to have some St. Philip's members come out to build with us that day.

Louis and Micaela Quiroga and their children Daniel and Melanie, pictured here, moved into their Habitat home last month. Their home was sponsored by several congregations and individuals of Tucson's faith community, including St. Philip's.

The Quirogas are grateful for the generosity of neighbors like you who are willing to offer them a hand up to achieve the American Dream of homeownership. As Louis recently told us, "It's better to move into your own house. Everybody wants to own a home. The future will be better for our kids."

Thank you for making a choice to give something of yourselves to help others. Together we are making a difference – one house, one family at a time.

Most sincerely,

Michael McDonald  
Executive Director
