Dear Members of St. Phillips in the Hills Episcopal Church,

What exciting news to learn of your generous contribution toward the Faith in Action Home, to begin on September 11, 2010! We appreciate the perseverance and benevolence of your congregation, as you invest in our community, and build stronger families, through your support of Habitat for Humanity Tucson.

The home will be dedicated in late Spring 2011, when a family begins a new life. We look forward to seeing you there and hope that you will join us for that celebration.

Thank you for continuing to be a leader, as well as a partner, in our community, as you serve as Christ's hand and feet.

God's Blessings,

Jo Riester
Faith In Action Committee Chair

PS. I found this quote in a new Habitat book, and then received word of your donation. You are the role models! Thank you!

What the poor need is not charity but capital, not caseworkers but coworkers. And what the rich need is a wise, honorable, and just way of divesting themselves of their overabundance.
