Dear Greg,

Thank you so much for your loyal support of Habitat for Humanity Tucson. The generous donation of \$1,000.00 from St. Philip's Parish really makes a difference to the families that are going to become first-time homeowners in the next year. Since the first half of your 2011 gift was designated to the Faith Coalition Build, we have also designated this gift to that project. That home will be finished in May of 2012 and we will, of course, send you an invitation to that dedication.

Michele and Luis Meza and their three daughters, pictured here, are very excited to be partnering with Habitat. Luis works at Northwest Medical Center and Michele is a part-time Business Instructor at Brown Mackie College. Michele recently told us, "I'm just beyond happy about this. We live in a small apartment, and my girls run into each other every time they're playing. I tell them just remember, our dreams are coming true; soon you'll have your own rooms."

Your support today will help create lasting memories for families like the Mezas. Every gift we receive, when combined with others, will help another family create a memory that they will carry in their hearts. Thank you for giving something of yourself this holiday season.

We wish you and all our friends at St. Philip's a blessed Christmas and a very Happy New Year!

With gratitude,

Michael McDonald
Executive Director
