

Helping seniors, disabled individuals
and families in financial crisis achieve
stable and independent lives.

Dear Rev. Kitagawa:

Thank you, and your members, for your generous donation of \$1,000.00 to Interfaith Community Services.

With your support, ICS helps Pima County seniors stay safe and healthy in their own homes and provides assistance to individuals and families in financial crisis. In the past year, we helped almost 21,000 with our Food Bank, Emergency Financial Assistance, Mobile Meals, Health Advocacy, and Senior and Caregiving Services including transportation and shopping assistance, home repairs, and friendly calls and visits.

Your gift will be used to help people in need, often in small but always significant ways.

Richard, a construction worker, had finally found a job after being unemployed for over a year. His family was behind on their rent and facing eviction, so he desperately needed a paycheck to help stabilize their situation. There was only one glitch: he was unable to travel to and from his new job site because he had no car and the bus line was too far from home. ICS paid for a new bicycle for Richard and assisted the family with food vouchers to help them get back on their feet. Follow-up contact with Richard found him still working. "Things are starting to get better," he says.

ICS leverages the support of more than 600 volunteers, 60 member faith communities and the community at large to help an ever-increasing number of struggling individuals and families. Thank you for your generous support that allows ICS help those who turn to us.

We wish you many blessings,

Thanks for your support of ICS.
