Dear John,

The students and their families, staff, and Board of Imago Dei Middle School wish to thank you for your generous financial contribution of \$1,700. We are deeply grateful for your partnership with us. Your investment in a quality education for children in need is yielding great returns!

Here at Imago Dei, time is flying by, and we can hardly believe that we graduated our first eighth grade class just a few weeks ago! We are all grateful for the opportunities and experiences of this year, and for your generosity of spirit that makes possible our mission of educating and empowering the at-risk youth of our community. Our students are thriving beyond their own expectations academically, socially, and spiritually. Your investments have allowed us to provide the love, support, and education that all children need to live into their potential and realize their dreams.

Thank you for making it possible to serve and teach the children and families who are central to our lives.

With gratitude,

A handwritten signature in dark ink, appearing to read "Anne", is written over a horizontal line.
