Dear Peg,

The students and their families, staff, and Board of Imago Dei Middle School wish to thank you for your generous financial contribution of \$1,000 from the St. Philip's Children's Christmas Project. We are deeply grateful for your partnership with us. Your investment in a quality education for children in need is yielding great returns!

We have reached a very exciting bench mark at Imago Dei this year. Five years ago, we opened our doors with 5 fifth grade students. Today, we have 75 students in grades five through eight. We are so thankful for your generosity and support in making this tremendous accomplishment possible. By achieving this goal, we are able to employ our educational model more efficiently, allowing the money that you have generously invested into our students to reach further. Thank you for your support that is sustaining our dream of educating children who are at-risk. Through their wonderful talents, our students remind us each day that no barrier is insurmountable, and we are privileged to witness these children gain the tools to live into their full potential.

Thank you for making it possible to serve and teach the children and families who are central to our lives. We all wish you a happy and healthy new year.

With gratitude,
